

Target: Mozambique, East Africa
Project: Plant 1,000 new churches
Challenges: High illiteracy hampering training new pastors
Solution: OLBI - Create 3 year Bible Institute on video in Portuguese language

BACKGROUND: Mozambique fought a civil war from 1977-1992 disrupting education throughout country resulting in an adult population functionally illiterate.

olBi PROJECT: The Oral Learners Bible Institute will produce a 3 year video based Bible Institute designed for illiterate individuals to be trained to become pastors and plant churches. The video lessons will be viewed on the students own mobile phone.

PARTNERSHIP: ☐ \$45,000 Sponsor entire 3 year Bible Institute

☐ \$15,000 Sponsor 1 year of Bible Institute

☐ \$ 1500 Sponsor 1 course of Bible Institute

Your partnership will cover the cost of translation, video production crews, and expenses for the Mozambique professors who will present course materials on camera. The result is a 3-year Bible Institute created by the Mozambique national church to train and equip their own people to plant and then pastor churches across Mozambique.
